

## Comment Form

Throughout its Master Plan Study, Vision2040, the Raleigh-Durham Airport Authority will hold public information workshops to introduce the study and its progress to the community. You are invited to provide insights and input that will help inform the study. We are interested in your perspective as we undertake this important project to chart Raleigh-Durham International Airport's future.

Please use this comment form to provide any comments or questions you may have related to RDU's Master Plan Study, Vision2040.

---

### Optional Contact Information

Name: \_\_\_\_\_ State, Zip Code: \_\_\_\_\_

Email: \_\_\_\_\_

Affiliation/Organization: \_\_\_\_\_

(This information will only be used to understand the community's representation in the public information process.)

---

### Comments or Questions

Please use the space provided below to share your thoughts on the current and future challenges the Airport faces, the Airport's relationship to and role in the community, or other topics you believe should be considered during the master planning process.

(Additional space is provided on the back.)

Thank you for your feedback!

Please share your thoughts on the current and future challenges the Airport faces, the Airport's relationship to and role in the community, or other topics you believe should be considered during the master planning process.

**Please return this comment form before you leave tonight.**

If you are unable to complete the comment form tonight, you may submit comments at [vision2040.rdu.com](http://vision2040.rdu.com) or by mail at Attn: Master Plan Study, Raleigh-Durham Airport Authority, 1000 Trade Drive, PO Box 80001, RDU Airport, NC 27623.
